

Chocolate - Chocolate Chip Cake Recipe

Ingredients:

- 1 box yellow cake mix
- 1 small pkg instant chocolate pudding mix
- 4 eggs (can use substitute)
- $\frac{3}{4}$ cup oil
- 1 cup Barber's sour cream (can use reduced fat)
- 8 oz pkg milk chocolate chips

Preparation:

Preheat oven to 350 degrees. Combine 1st 5 ingredients with an electric mixer. Using a spoon, blend in chocolate chips.

Pour into a greased and floured bundt pan* and bake for 1 hour. Let sit in pan at least 30 - 45 minutes then turn out to cool on wire rack.

Can serve alone or with vanilla ice cream.

* For other size pans:

- Using 2 bread pans, bake for 50 minutes in metal pan or 45 minutes in glass pan.
- Using 9 x 13 casserole dish, 40 – 45 minutes.
- Using cupcake pan, 20 minutes
- Using mini cupcake pan, 15 minutes
